Thank you for the opportunity to provide our proposal to Mobilize your jobsite and Fabricate Rebar, Form, Place Concrete, and Strip (16) light pole bases as follows.

A Quantity of:

(16) 24" Diameter, 6' below grade, 0-1" above grade, (4) #5 rebar verticals, (11) #3 rebar stirrups 6" o.c. each pole base to drill fabricate and install rebar Cages 3" below finished Surface. Form above grade with sono-tube, set anchor bolt templates. 4000 P.S.I. Commercial Grade Concrete will be used for construction.

Price Per Unit	\$ 450.00
(2x) Mobilization Fees	\$1,000.00
(2x) Short Load Concrete Fees (If Needed)	\$ 250.00
Price for Group	\$8,450.00

(Bolts, Nuts, and Washers Supplied by Company Name.) Strip forms and Sono after placing concrete, finish top of concrete Smooth finish and Chamfer 1". Above Grade will have a sono tube Finish. Clean up area upon completion and place rubbish in onsite dumpster provided by others. The Caisson Company has bid this with consideration of (1) Mobilization. Mobilizations can be defined as (1) Day to Drill Holes, Fabricate Cages and drop in holes for electricians to pipe, (1) Day to Set forms, and Pour Concrete, and (1) Day to return to strip Forms and sono tube from bases poured. Additional Mobilizations can be added @ \$500.00 (price varies on jobsite location) each and applicable Short load Fees @ \$125.00 Each for any pour less than 4 yards of Concrete. Any pour requiring Hydraulic @ \$350.00 per pour.

The Caisson Company requests that at least (1) 5' offset be laid out to insure proper location and elevation. (2) 5' offsets would allow us to place anchor bolts more precisely.

EXCLUSIONS: *Landscape Protection, Landscape Repairs, Hole Protection, Private Locates, Layout of pole bases, rock excavation, dewatering of excavation, casing of holes due to collapsing conditions, permits, testing, Light poles, Anchor Bolts and Nuts, Electrical conduit installation and wiring, grouting under and around pole base cover, Rubbed Finish, Grounding Wire or Ground Wire installation, Light Pole Erection or Placement, and inspections.*

Total price for (16) Light Pole Bases

\$8,450.00

Terms: Payment upon completion and per contract agreement

Respectfully submitted,
Haley Dechant
