Thank you for the opportunity to provide our proposal to Mobilize your jobsite and Drill, Form, Place Concrete, and Strip (1) sign pole base as follows.

A Quantity of:

(1) 24" Diameter, 4' below grade and 0" above grade, (5) -#5 rebar verticals, (4) -#3 rebar stirrups @ 12" o.c. each pole base to drill fabricate and install rebar cages 3" below finished surface. Form above grade with sono-tube, set anchor bolt templates. 4000 P.S.I. Commercial Grade Concrete will be used for construction.

Price Per Unit	\$ 522.18
Mobilization Fee	\$ 300.00
Short Load Concrete Fee	\$ 85.00
Price for Group	\$ 907.18

(Bolts, Nuts, and Washers by Company Name.) Strip forms and Sono after placing concrete, finish top of concrete Smooth finish and Chamfer 1". Above Grade will have a sono tube Finish. Clean up area upon completion and place rubbish in onsite dumpster provided by others. Spread excess dirt on site. Project has been bid with consideration of (1) Mobilization. A mobilization can be defined as (1) Day to Drill and Drop Cages, Form and Pour Concrete, and (1) day to Strip sono tube. Additional mobilizations can be added @ \$300.00. Any concrete pours less than 4yds will be subject to a \$85.00 short load concrete fee. We assume concrete truck access all pour locations. If a Hydraulic Concrete bucket & Operator is needed to reach pour locations, then \$350 will be added to each pour.

The Caisson Company requests that at least (1) 5' offset be laid out to insure proper location and elevation. (2) 5' offsets would allow us to place anchor bolts more precisely.

EXCLUSIONS: *Hole Protection, Landscape protection, Landscape Repairs, Engineered Shop Drawings, Davis Bacon Wage Rates, Concrete washout pit Construction, Private Locates, Layout of pole bases, rock excavation, dewatering of excavation, permits, testing, Light poles, Anchor Bolts and Nuts, Electrical conduit installation and wiring, grouting under and around pole base cover, Rubbed Finish, Grounding Wire or Ground Wire installation, Light Pole Erection or Placement, Traffic Control, and inspections.*
