Normally do them yourself?

Let us Drill all your Holes up to 36" in diameter and 10' deep!! @ only \$200/hr

The prices given are for estimation only and The Caisson Company will adjust prices (if needed) for additional rebar, finishing, small quantities, ground conditions, and travel based upon specifications supplied by Electrical or General Contractor. Layout of pole bases, rock excavation, dewatering of excavation, permits, testing, and inspections are not included.

Prices reflect a (10) pole base project. Price per base could decrease or increase based on quantity required and Base Specifications. Projects will be subject to a \$400 Mobilization for Colorado Springs, \$500 for Pueblo, and \$750 for Denver. Short Load Concrete Fee applied when applicable. Anchor bolts not supplied by The Caisson Company.

Prices Subject to change so Please Call to check prices.
